**ARLY EGGERTSEN IS APPOINTED REGIONAL ATTORNEY
IN NLRB'S CHICAGO, IL REGIONAL OFFICE**

National Labor Relations Board's General Counsel Ronald Meisburg announced the appointment of career attorney Arly Eggertsen as Regional Attorney in the Agency's Regional Office in Chicago, IL (Region 13). In his new position, Mr. Eggertsen will assist Regional Director Joseph Barker in the enforcement and administration of the National Labor Relations Act in Cook, Du Page, Kane, Lake, and Will Counties in Illinois and Lake County, Indiana.

The NLRB investigates and remedies unfair labor practices and conducts secret-ballot elections to determine whether employees desire union representation.

Commenting on the appointment, General Counsel Meisburg stated:

Arly Eggertsen in his 33 years of service with the NLRB has demonstrated a strong commitment to an even-handed and vigorous enforcement of the Act. His broad range of experience in the work of the Chicago field office, excellent analytical ability, and litigation skills will serve the Chicago Region and him well in his new role as Regional Attorney.

Mr. Eggertsen grew up in Utah and attended the University of Utah for both undergraduate studies and for his J.D. degree. He received his J.D. degree in 1973, and that same year joined the NLRB in the Chicago Office as a Field Attorney. Mr. Eggertsen was promoted to Supervisory Attorney in 1986, and in 1994, he was promoted to Deputy Regional Attorney. He is a member of the Utah bar.
